Bre-Chenna Naik late Lance Daffedar of the Sagar Taluk was first dismissed the Service for having negligently allowed certain prisoners to escape from the Magistrate's lockup at Sagar in May 1898. On appeal, the order of dismissal was reversed and he was ordered by the I. G. of Police to be retired from Service on such pension or gratuity as he might be entitled to. The retirement was approved of by Govt. and the gratuity application received from the I. G. of Police on behalf of Chenna Naik was forwarded to the Comptroller for verification and report. The Comptroller

G. Ov: No. 13532-33/J 1139 J 17/2/02

Returned the gratuity application to the I. G. of Police in retransmission with the class of pension proposed being defined. With the above letter under acc^e, the ~~Comptl~~ I. G. of Police has forwarded copies of his correspondence with the Comptroller on the subject and solicits orders of Govt.

It is evident that the pension granted for inferior service is divided into two classes viz. "invalid" and "compensation". and there is no superannuation or retiring pension for Inferior Service (art: 324) Cheema Naik having been retired from service under the circ^ces above explained, orders are solicited as to whether the Comptroller may be informed that he was retired from service dispensing

dispensing with a
Medical certificate
and that ~~the fee~~ the
~~fee~~ gratuity proposed,
may be classed as "Invalid

To H. V. Sanjundayya Esqr: M. A. Jn.
THE SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

Sir,

With reference to G.O. No 13532-3/9 1137 of the 17th February 1902 sanctioning the retirement of Lance Daffedar Chenna Naik of the Sagar Taluk, I beg to forward herewith for the favourable orders of Government copies of the marginally noted correspondence between this office and the Comptroller who has returned the application referred to in the above proceedings

Comptrollers' memo No 50 dated 16th March 1902.
This office docket No 548 dated 18th March 1902.
Comptrollers' memo No 53 dated 7th April 1902.

the observation that no report can be

be made on it unless the class of pension is defined. The Daffedar in question was ordered to be retired from the service on account of his inefficiency and the sanction of Government for it was also subsequently obtained. This is a peculiar case and does not fall under any of the classes of pension for superior service or inferior service enumerated in (Arts: 276 + 277 of the Service Regl Ins:) Any gratuity which the Govt: is pleased to grant to him would be purely a compassionate allowance and I beg to point out that provision is made for such cases in art 479 (a) of the service regulations. Moreover the tenor of arts 231 & 271 of the regulations shows that it is not the intention of the Government to deprive men of this class of all concessions.

I beg therefore that the Government

Government, may be moved to direct the Comptroller to report on the application for gratuity and sanction the gratuity he would have been entitled to if he had been invalided, under the ordinary rules.

I have the honor to be
Sir
Your most obedient servant
